## **C4 Newsletter May, 2014**

Hi Everybody and welcome to another newsletter. C4 is heading into a busy time, with a range of upcoming events, so you need to know how you can be involved.

### **Upcoming Events**

- **Working Bee - Sat 17<sup>th</sup> May**
- **Lot 66 Sign Unveiling - Mon 19<sup>th</sup> May**
- **C4 Lot 66 Celebration - Sat 24<sup>th</sup> May**

---

### **Helpers Required!**

#### **Working Bee: Saturday 17<sup>th</sup> May from 8am**

We will need as many hands on deck as possible to assist with dusting, cleaning and setting-up the Display Centre for the Lot 66 function at the C4 Display Centre. The gardens will need a tidy up too, so bring your gloves please.

#### **Lot 66 Sign Unveiling: 19<sup>th</sup> May from 10:45am**

Volunteers are requested to assist with serving food and drinks during the event, as well as manning the members information table. Even if you're not sure how much you can help out, you are invited to be present to demonstrate your ongoing support and to meet our guests.

#### **C4 Lot 66 Celebration: Sat 24<sup>th</sup> May**

Dust off your dancing shoes and put on your party hat – all C4 members and supporters are needed at the C4 Display Centre from 5pm to help celebrate our success with Lot 66. This is your opportunity to catch up with so many whose support has enabled this momentous step forward. Light supper and wine provided.

---

**Still Wanted:** A second-hand chest freezer in reasonable condition. This is to donate to the Tully Vet Surgery to store any cassowary remains for future more extensive examination. While Dr Graham Lauridsen is to be thanked for his continued assistance in caring for injured cassowaries, the surgery has limited facilities for long-term storage of material which may provide valuable data in the future.

*If no used freezer is available, C4 will have to buy a new one, so money donations are also welcome.*
